

HomeLink

► Connecting Parents and Students to School Information

Welcome to HomeLink, your connection to grade, attendance, and homework information. To create a student or parent account, please follow the instructions below. If you have trouble creating an account or accessing information, please contact your registrar.

What you will need

- Internet-connected computer (Windows only; unfortunately, HomeLink will not run on a Mac)
- Microsoft Explorer 7.0 or newer (available at <http://www.microsoft.com/downloads/>)
- Home telephone number, with area code
- Student permanent ID number
- Verification code

The student permanent ID number and verification code are listed on the letter accompanying this packet.

Create Your Account

To Begin: Go to the HomeLink web site

Open Explorer and enter this address <http://homelink.rjuhsd.us>. You will see a screen with information about HomeLink. Use the button near the top of the screen to advance to the log on screen, as shown below.

Click on Create New Account.

Welcome to aeries™

ABI Version 3.4.12.1 Secured with 128-bit Encryption

Step 1: Select Account Type

Click on Parent or Student as appropriate, then click Next.

Step 2: Enter e-mail address and select a password

Please enter your e-mail address twice for verification. Parents and students should each enter their own individual e-mail address.

Think of a password that's secure and hard to guess. Enter it in Choose Password and Retype Password. You will use this password to access your account.

The screenshot shows a web form titled "Step 2 Account Information". At the top, there are two buttons: "<< Previous" and "Next >>". Below the title bar, there are four input fields: "Email Address:" with the placeholder "youremailaddress@server.com", "Verify Email Address:" with the same placeholder, "Choose Password:" with a masked password of seven dots, and "Retype Password:" with a masked password of seven dots.

Step 3: Respond to the e-mail message from HomeLinkHelp

When you click Next in Step 2 above, a message will be sent to your e-mail. Please open your e-mail program, open the message from HomeLinkHelp, and follow the instructions. If you do not get an e-mail message, please repeat Step 2 and check the spelling of your e-mail address carefully.

Step 4: Enter student verification information

Note: If your e-mail address is already in our database, this step happens automatically, and you can follow the screen prompts to finish the account set up process.

If your e-mail address is not in our database, you will need the student permanent ID number (from the letter), your home telephone number **with area code**, and the verification code (from the letter). Enter the information and click Next.

The screenshot shows a web form titled "Step 4 Student Verification". At the top, there is a "Next >>" button. Below the title bar, there is a prompt: "Please Enter The Following Information About Your Student". There are three input fields: "Student Permanent ID Number:", "Student Home Telephone Number:", and "Verification Code:".

Step 5: Connect your e-mail account to the student's contact information

Our database stores all of a student's emergency contact people as separate records. This step connects your e-mail address to the right person in that set of records.

To Finish: Go to the HomeLink log on screen

Enter the address <http://homelink.rjuhsd.us> into Explorer. You will see the log on screen again, but instead of clicking on Create New Account, use the e-mail address you used to create your account, plus the password you created, to access student information.

When you are finished using HomeLink, please log out and close Explorer. If you wish to continue using the Internet, re-launch Explorer.
